

# On Thorns I Lay, Obsession

Finally what you are is the same that we are everyone  
You do infeasible dreams  
Like everyone  
You will learn to love if you learn to suffer  
Like everyone

So discover the snake of your soul  
Think deeper  
Think deeper  
Discover the joy of your life  
Think deeper  
Think deeper

The way is an opened to the violet  
The knowledge of your self  
Please find yourself

Grey loves my God  
Sunked me in pain  
My hearted body will soon expire  
I will be waiting

So discover the snake of your soul  
Think deeper  
Think deeper  
Discover the joy of your life  
Think deeper  
Think deeper
