

Once, Trying to pull myself away

Breaking up in the station, a final train
I don't even know if I'll ever see you again
Is it a choice that we even have?
Bang bang down on the piano 'til I smash the keys
Listening alone with the melodies
Everything's gone and I don't know where
And the rule of thumb don't apply anymore
'Cause the house is burning....
Trying to pull myself away
I'm caught in a pattern and I can't escape
Trying to pull myself away
Lately when I get lost there's this thing I know
Even the dogs have somewhere to go
Everything comes if you just let it be
Work, work, brighten the corners that will never see
Untangle the thoughts that you know what they mean
I hope that the answer doesn't come too late
And the rule of thumb don't apply on me
'Cause the tables are turning
Trying to pull myself away
I'm caught in a pattern and I can't escape
Trying to pull myself away
I'm caught in a pattern and I can't escape
Can't escape
Trying to pull myself away, everything's gone
Trying to pull myself away, everything's gone
