

One Bad Pig, Anarchy Is Prison

Chorus:

You live for anarchy
Jesus will set you free
Who are you gonna be
Get down on your knees

You call it truth - its only smoke
Are you for real? is this a joke?
Marx and Lenin are your thing
Where will you be when Christ is King?

You live for anarchy
Jesus will set you free
Who are you gonna be
Get down on your knees

War and famine, hate, greed and fear
Will all of that just disappear?
Just go away? where have you been?
We love it all cause we love sin

You live for anarchy
Jesus will set you free
Who are you gonna be
Get down on your knees

Societys rotten down to the core
You hate it all, what are you for?
All you do is complain and gripe
Why dont you act? The time is ripe

You live for anarchy
Jesus will set you free
Who are you gonna be
Get down on your knees

Is "No More Rule" your answer found
Its satans lie, in which youre bound
Free in Jesus, cause He is risen
Youre in a hole - anarchy is prison

You live for anarchy
Jesus will set you free
Who are you gonna be
Get down on your knees
(2x)

Anarchy is prison
(4x)

But Jesus will set you free

So tell me, who are you gonna be?
