

One Bad Pig, Christmas Time

Santa Claus is coming and the kids are getting greedy
Its Christmas time
I know its in the story cause I seen ot on the TV
Its Christmas time, its Christmas time
You go into the forest and you cut down all the trees
Its Christmas time
I know you got a power saw, but who plant the seeds
Its Christmas time, its Christmas time

Chorus:

Whoa, whoa
Whoa, its Christmas time
Whoa, whoa baby
Whoa, whoa
Whoa, its Christmas time
Whoa, whoa baby
Yeah, yeah, yeah, yeah

I gotta buy a present, cant remember who its for
Its Christmas time
Ill se you in a hour when I get back from the store
Its Christmas time, its Christmas time

Whoa, whoa
Whoa, its Christmas time
Whoa, whoa baby
Whoa, whoa
Whoa, its Christmas time
Whoa, whoa baby
Yeah, yeah, yeah, yeah

It used to be the birthday of The Man who saved our necks
Its Christmas time
Now it stands for Santa Claus, they spell it with an "X"!
Its Christmas time, its Christmas time

Merry Christmas yall

Its Christmas time, its Christmas time...
