

One Bad Pig, Frat Rats

Chorus:

Frat rats and sorority swine
Your problem is the same as mine
If you look to the world to satisfy
You'll find that it's empty, empty, empty inside

Go buy a pink izod
Rush week - play like God
No cash for Muffy
Phone home for Daddy

Cry
Cry out
People cry out to God

Saturdays finally here
Toga party - chugging beer
So proud to be a Greek
I think it really reeks

Cry
Cry out
People cry out to God
