

# One Bad Pig, Life's A Bomb

Weve got a bomb  
Weve got somer more  
Weve got a Nam in El Salvador  
Weve got the cash  
Weve got the greed  
Weve got the poor well never feed

Chorus:  
Lifes a bomb (4 x)  
So its not your crime  
No saving grace  
Youre out of time  
And its gonna blow up in your face

Youre always high  
Your clothes are rad  
Youve got to teach your Wall Street Dad  
Youre on your own  
Your life is punk  
You cant forget your Moms a drunk

Lifes a bomb (4 x)  
So its not your crime  
No saving grace  
Youre out of time  
And its gonna blow up in your face

Your fuse is short  
You just cant cope  
Life in the Son  
Your only hope

Lifes no bomb (4 x)  
Your life is lost  
Give up today  
He paid the cost  
His love is gonna blow you clean away...
