

One Bad Pig, Looney Tune

On the sacrificial altar
In a deli in New York
You might find a leg of lamb
But you wont find no pork
Ive never, ever killed a man
And I swear Ive never lied
But God said, "Youve done quite enough, you pig your bacons fried"

Chorus:

One Bad Pig - Our claim to fame
One Bad Pig - What a stupid name
One Bad Pig - God wont take ham
One BadPig - Christ is The Lamb

I was a filthy goyim
The worst youd ever seen
But you can call me "Kosher"
Cuz Jesus made me clean
Once to be called chosen
You had to be a Jew
But since we died in Jesus One Bad Pig is chosen too

One Bad Pig - Our claim to fame
One Bad Pig - What a stupid name
One Bad Pig - God wont take ham
One BadPig - Christ is The Lamb
(2x)

One Bad Pig - Our claim to fame
One Bad Pig - What a stupid name
One Bad Pig - God wont take ham
One BadPig - Christ is The Lamb

ONE BAD PIG!
