

One Bad Pig, Spirit Of Murder

Ive been known to lie, to steal
Ive ignited the pain that you feel
Ive been known to laugh when you cry
And Ive been known to pass on the other side
(When youre bleeding)

Chorus:

Theres a spirit of murder
Among us here today
Theres a spirit of murder
Among us here today

Ive a young friend who has a wife
He dreams of the day shell lose
In hopes that hell have a second chance
A second chance to find a new romance
(Now shes bleeding)

Theres a spirit of murder
Among us here today
Theres a spirit of murder
Among us here today

He shed His blood
He shed His blood

Theres a spirit of murder
Among us here today
Theres a spirit of murder
Among us here today
