One Bad Pig, Up The Nose

There it goes up the nose There it goes up the nose There it goes up the nose And the family goes down the drain

There it goes up the nose There it goes up the nose There it goes up the nose And the family goes down the drain

This is your brain Your brain on drugs This is your brain in hell

There it goes up the nose There it goes up the nose There it goes up the nose And the family goes down the drain

There it goes up the nose (Lines, rails, snow trails)
There it goes up the nose
And the family goes down the drain
The family goes down the drain
The family goes down the drain!!!!
