

# One Bad Pig, Wholly My Lord

O Lord, cause me to pray  
O Lord, teach me what it means to obey

Cause me Lord to seek You Face  
Know the wonder of Your grace  
Lord, I want to truly say

You are God, You are my God  
You are God, You are my God  
And You are holy, wholly my Lord  
Holy, wholly my Lord

O Lord, cleanse me this day  
O Lord, bring me in your presence to stay

Cause me Lord to seek You Face  
Know the wonder of Your grace  
Lord, I want to truly say

You are God, You are my God  
You are God, You are my God  
And You are holy, wholly my Lord  
Holy, wholly my Lord

O Lord, cause me to pray  
O Lord, teach me what it means to obey

Cause me Lord to seek You Face  
Know the wonder of Your grace  
Lord, I want to truly say

You are God, You are my God  
You are God, You are my God  
And You are holy, wholly my Lord  
Holy, wholly my Lord

Cause me Lord to seek You Face  
Know the wonder of Your grace  
Lord, I want to truly say

You are God, You are my God  
You are God, You are my God  
And You are holy, wholly my Lord  
Holy, wholly my Lord  
(2x)

Holy, wholly my Lord  
Holy, wholly my Lord  
Holy, wholly my Lord...
