

One Bit, Noah Cyrus, My Way

Why can't we do this?
Why can't we do this?
don't you think you can run, before the trigger
no way that I'm done
no way /3x
two feet on the floor
no no, you go figure
whose back's to the wall?
watch me climbing
seem to be liking imbalance tonight
you like how you look
you keep telling me
the truth is I just can't take this anymore
two use words you use are a dollar worth
you like how you look
you keep telling me
Why can't we do this in my way
it's gotta be what you say
you think that you know better
but you keep proving you never

Why can't we do this in my way
Why can't we do this?
Why can't we do this?
Why can't we do this?
Why can't we do this?

just tell me one more time
go and cross the line
Do you dare to?
just tell me one more time
go and cross the line
Do you dare to?

Why can't we do this in my way
Why can't we do this?
Why can't we do this?
Why can't we do this?
Why can't we do this?
