

One Block Radius, You Got Me

You Got Me
No need to wonder why.
Don't have to question,
So clear your worried mind

Now I don't wanna lose you,
But I'm tryin' do, what I gotta do, do.
I know the style of my life might confuse you.
And I don't blame you one bit.
I don't even say nothin' when you tripp.
But I thought I told you?
You can put it on my shoulder's, I can hold you.
And I don't care who all believes me, I'm a show you.
Momma it's been a long time.
My leadin', bangin boys about to shine,
All up on my grind.
Gotta get this money what door, just a little crack.
I'm gonna kick it in and make some noise, baby I'll be back.
Gotta keep you movin' ma,
That's how we do it ma,
We chasin' dreams and makin wishes,
I'm your shootin' star.

Now I don't really want to leave you right now,
And I don't even really wanna go.
And I don't even wanna see you cry now,
Baby you should, already know.
Sooo.

You Got Me, (You know that you got me)
No need to wonder why. (No reason to wonder why)
Don't ever question, (You ain't got to question)
So clear your worried mind (It'll be alright)
