

One Cool Guy, Urban Ninja

imagine a town called unionville
crime ran rampant and it wouldn't stand still
huddled in their homes they couldn't sleep
they needed a rough an tough vigilante
out of their cries he had come at last
out of the shadows he could move so fast

he's the smoothest guy you ever meet
put you bad guys back in your seat
don't need no sword or no flying wings
he just uses his feet

all you criminals be prepared
you know y'all got the right to be scared
cuz our hero is coming around, to clean up the streets

and now he's coming with a quickness
HIYA! HIYA!
now he's coming to get ya the urban ninja
and now he's coming at ya
HIYA! HIYA!
now you got snuffed by the urban ninja

one day it was getting late
two thieves made a grave mistake
held up so little mini-mall
it only took one time to call
with a spin-kick he laid down the law
keep all you towns people in awe

and now he's movin with the quickness
HIYA! HIYA!
now he's coming to get ya the urban ninja
you got caught with a spin-kick
HIYA! HIYA!
now you got snuffed by the urban ninja

he's the smoothest guy you ever meet
put you bad guys back in your seat
don't need no sword or no flying wings he just uses his feet
all you criminals be prepared
you know y'all got the right to be scared
cuz our hero is coming around
to clean up the streets

and now he's movin with the quickness
HIYA! HIYA!
now he's coming to get ya the urban ninja
you got caught with a spin-kick
HIYA! HIYA!
now you got snuffed by the urban ninja
