

One Direction, Back For You

Liam:

Whenever I close my eyes, I picture you there
I'm looking out at the crowd, you're everywhere
I'm watching you from the stage yeah
You're smile is on every face now
But every time you wake up
You're hearing me say

Harry:

Goodbye

All :

Baby, you don't have to worry
I'll be coming back for you, back for you, back for you, you
Lately, I've been going crazy
I'll be coming back for you, back for you, back for you, you

Louis:

I've never been so into somebody before
And every time we both touch I only want more
So tell me nothing's going to change yeah
And you won't walk away yeah
Cause even though every night you'll know what I'll say

Harry:

Goodbye.

All:

Baby, you don't have to worry
I'll be coming back for you, back for you, back for you, you
Lately, I've been going crazy
So I'm coming back for you, back for you, back for you, you

Louis :

Right back for you
Right back for you
Right back for you

Liam :

Lately, I've been going crazy
So I'm coming back for you
Yeah I am coming back

Zayn :

for you yeah

All:

Baby, you don't have to worry
I'll be coming back for you, back for you, back for you, you
Lately, I've been going crazy
So I'm coming back for you, back for you, back for you, you

Harry:

Right back for you, right back
Right back for you, right back
Right back for you, right back
Right back for you.

All :

Lately, I've been going crazy
So I'm coming back for you, back for you, back for you,
