One Direction, End Of The Day

I told her that I loved her, Was not sure if she heard The roof was pretty windy, And she didn't say a word Party dying downstairs, Had nothing left to do Just me, her and the moon

I said you on fire, babe Then down came the lightning on me Love can be frightening, for sure

All I know at the end of the day
Is you want what you want, And you say what you say
And you follow your heart, Even though it will break sometimes
All I know at the end of the day
Is you love who you love, There ain't no other way
If there's something I've learnt from a million mistakes
You're the one that I want at the end of the day
At the end of the day

You're the one that I want at the end of the day She said the night was over, I said it's forever 20 minutes later wound up in the hospital The priest thinks it's the devil My mum thinks it's the flu But girl, it's only you

I said you on fire, babe Then down came the lightning on me Love can be frightening, for sure

All I know at the end of the day
Is you want what you want, And you say what you say
And you follow your heart, Even though it'll break sometimes
All I know at the end of the day
Is you love who you love, There ain't no other way
If there's something I've learnt from a million mistakes
You're the one that I want at the end of the day
At the end of the day

When the sun goes down I know that you and me and everything will be alright And when the city's sleeping You and I can stay awake and keep on dreaming You and I can stay awake and keep on dreaming

All I know at the end of the day Is you want what you want, And you say what you say And you follow your heart, Even though it'll break sometimes All I know at the end of the day Is you love who you love, There ain't no other way If there's something I've learnt from a million mistakes You're the one that I want at the end of the day

At the end of the day, yeah
At the end of the day
You're the one that I want at the end of the day
You're the one that I want at the end of the day
