

# One Direction, Magic

Harry:

B-b-baby c?mon over  
I don?t care if people find out  
They say that we?re no good together  
And this never gonna work out

Liam:

But baby you got me moving too fast  
Cuz I know you wanna be back  
And girl when you?re lookin? like that

Harry:

I can?t hold back

All:

Cuz you, you?ve got this spell on me  
I don?t know what to believe  
Kiss, you once know I can?t leave  
Cuz everything you do is magic  
But everything you do is magic

Zayn:

So I-I-let them take pictures  
Spread it all around the world now  
I wanna put it on my record  
I want everyone to know now

Liam:

But baby you got me moving too fast  
Cuz I know you wanna be back  
And girl when you?re lookin? like that

Harry:

I can?t hold back

All:

Cuz you, you?ve got this spell on me  
I don?t know what to believe  
Kiss, you once know i can?t leave  
Cuz everything you do is magic  
But everything you do is magic

Oh oh oh oh oh
