

# One Direction, More than this

Liam:

I'm broken, do you hear me?  
I'm blinded, 'cuz you are everything I see  
I'm dancing, alone  
I'm praying  
That your heart will just turn around  
And as I walk up to your door  
My head turns to face the floor  
Cause I can't look you in the eyes and say

Harry:

When he opens his arms and hold you close tonight  
It just won't feel right  
Cause I can love you more than this, yeah.  
When he lays you down I might just die inside  
It just don't feel right  
Cause I can love you more than this  
Love you more than this

Niall:

If I'm louder, would you see me?  
Would you lay down in my arms and rescue me?  
Cause we are the same  
You save me  
when you leave it's gone again

Louis:

And then I see you on the street  
In his arms I get weak  
My body feels, up on my knees  
Praying

Harry:

When he opens his arms and hold you close tonight  
It just won't feel right  
Cause I can love you more than this, yeah.  
When he lays you down I might just die inside  
It just don't feel right  
Cause I can love you more than this, yeah

Zayn:

I never had the words to say  
But now I'm asking you to stay  
For a little while inside my arms  
And as you close your eyes tonight  
I pray that you will see the light  
That's shining from the stars above

Liam:

When he opens his arms and hold you close tonight  
It just won't feel right  
Cause I can love you more than this, yeah.

Harry:

When he lays you down I might just die inside  
It just don't feel right  
Cause I can love you more than this, yeah  
When he opens his arms and hold you close tonight  
It just won't feel right  
Cause I can love you more than this, yeah  
When he lays you down I might just die inside  
It just don't feel right  
Cause I can love you more than this  
Love you more than this
