

One Direction, Na na na

Liam : We've got a bit of love hate
You take me to the edge then you hit the brakes
I say it's over one day
But then I'm crawling back begging you to stay
We make up then we break up all the time

Liam : I'll say that I hate a song
Then you'll go request it the whole night long
Some people say it's so wrong
But even when we fight, it'll turn me on

Niall : We make up then we break up all the time

Harry : We're like na na na
