

# One Direction, Taken

Liam:

Now that you can't have me  
You suddenly want me  
Now that I'm with somebody else  
You tell me you love me  
I slept on your doorstep  
Begging for one chance  
Now that I finally moved on  
You say that you missed me all along

Harry:

Who do you think you are  
Who do you think I am  
You only loved to see me breaking  
You only want me cause I'm taken  
You don't really want my heart  
No, you just like to know you can  
Still be the one who gets it breaking  
You only want me when I'm taken

Liam:

You're messing with my head  
Girl that's what you do best  
Saying there's nothing you won't do  
To get me to say yes  
You're impossible to resist  
But I wouldn't bet your heart on it  
It's like I'm finally awake  
And you're just a beautiful mistake

Harry:

Who do you think you are  
Who do you think I am  
You only loved to see me breaking  
You only want me cause I'm taken  
You don't really want my heart  
No, you just like to know you can  
Still be the one who gets it breaking  
You only want me when I'm taken

Zayn:

Thank you for showing me  
Who you are underneath  
Thank you I don't need  
Another heartless misery  
You think I'm doing this to make you jealous  
And I know that you hate to hear this  
But this is not about you anymore

Harry:

Who do you think you are  
Who do you think I am  
You only loved to see me breaking  
You only want me cause I'm taken  
You don't really want my heart  
No, you just like to know you can  
Still be the one who gets it breaking  
You only want me when I'm taken

Liam:

Now that you can't have me
