

# One Dollar Short, Perfect Day

It's one of these days when the sun is shining  
And the sky it is so blue  
And the birds are whistling  
The happiest of tunes

The sky is blue and the grass is green  
It's the best damn day I've ever seen (woah)  
This is the most perfect day I've seen  
Sky is blue  
Grass is green  
This is the most perfect day  
That I've ever seen

Mr. Whippy van is in the distance  
Kids in the street are running for ice cream  
Sounds of the laughter bring back memories  
Of a time I left behind  
Today I feel like the action movie hero's  
Come to save the day  
I'm so glad I got out of bed on a day like today  
(On a day like today)

Sky is blue and the grass is green  
It's the best damn day I've ever seen (woah)  
This is the most perfect day I've seen  
Sky is blue  
Grass is green  
This is the most perfect day  
That I've ever seen

On a day like today

Sky is blue and the grass is green  
It's the best damn day I've ever seen (woah)  
This is the most perfect day I've seen  
Sky is blue  
Grass is green  
This is the most perfect day  
That I've ever seen

I guess it was just one of those days
