

# One Dollar Short, Pinball Arcade

Riding my bike on the way home fomr school  
Homework will just have to wait  
I'm on a conquest that only I can fulfill  
Comic books will just have to wait

Good times and good friends  
Spare change, spent weekends  
Down at the pinball arcade

I check my pockets for some more spare change  
So I can play this game again  
I'm on a conquest that only I can fulfill  
Three initials to the highest score

[chorus x2]
