

# One Dove, Why Dont You Take Me

Oh baby  
When I sit and dream  
The skies cry with me  
Now that I'm alone  
Your voice wraps round me

Why don't you take me  
Why don't you take me  
Why don't you take me  
Why don't you take me  
Straight to your heart  
Yeah I'm asking you please

I need you now  
Need you need you now  
Need you need you

Oh baby  
You had all, and you were robbed  
You lost me  
And I lost you  
(do you know that we lost even) [this lyric not on weatherall's mixes.]

I need you now  
Need you need you now  
Need you need you
