## One Dove, Why Dont You Take Me

Oh baby When I sit and dream The skies cry with me Now that I'm alone Your voice wraps round me

Why don't you take me
Why don't you take me
Why don't you take me
Why don't you take me
Straight to your heart
Yeah I'm asking you please

I need you now Need you need you now Need you need you

Oh baby You had all, and you were robbed You lost me And I lost you (do you know that we lost even) [this lyric not on weatherall's mixes.]

I need you now Need you need you now Need you need you
