

One Fine Day, Jimmy's day

have you seen old jimmy in his old car driving by
how he smiles cause today is jimmy's day
he quit his job in the old factory
Jimmy waves goodbye
Jimmy waves goodbye

Refren:

oh what a day what a beautiful day
don't fake don't blame don't care anymore
oh what a day, what a beautiful day

it's in you hands to end this fake
so take a bit of jymmis day today
you have a chance to overtake
it's in you hands to end this fake
so take a bit of jymmis day today
have you seen old jimmy driving home to his louise
how she smiles cause jimmy smiles again
he takes her out and they dance under the stars
