

One For The Team, Best Supporting Actor

I am the best of all supporting actors
The lead role can go just right upon my shoulders
I can be the back story, chalk full of backbone and literary prowess

Shot and clever in all the right places
Putting all the right looks on all the right faces
See this through and through and through and through
Hold your breath, take a rest, I'll conduct you

A-woah-oh, a-woah-oh, a-woah-oh-oh
A-woah-oh, a-woah-oh, a-woah-oh-oh

You, yeah, you, you're breaking the hearts of honest men
You, yeah, you, you're breaking the hearts of honest men
Oh, you, yeah, you, you're breaking the hearts of honest men
Oh, you, yeah, you, you're breaking the hearts of honest men, of honest men

It's cute how you try
To rebuild your life
It's cute how you try
To rebuild your life
It's cute how you try
To rebuild your life
It's cute how you try
To rebuild your life
A-woah-oh, a-woah-oh, a-woah-oh-oh
To rebuild your life
A-woah-oh, a-woah-oh, a-woah-oh-oh
To rebuild your life
It's cute how you try
To rebuild your life
It's cute how you try
A-woah-oh, a-woah-oh, a-woah-oh-oh
A-woah-oh, a-woah-oh, a-woah-oh-oh
