

# One Man Army, Downtown Lights

He Left For The Stars On The Streets  
With Six Strings  
A Song In His Head  
And Three Chords In His Heart  
Well They All Gave Him Six Months At Most  
He'd Be Right Back  
Right Back At Home

But His Names In The Marquis Lights  
Tonight Hollywood  
The Kid With A One Track Mind  
Born To Lose  
Rock Bottom Couldn't Hold Him  
To His Fate's Own Making  
He Stands Alone With A Bottle  
Far Far From Home

Ten Years Later He Wakes Up  
There's A New Face On TV  
He's Got A Job As An Extra  
And A Guitar With Two Strings  
Anything He's Ever Wanted  
Has Eluded Him In The End  
He Aint Done  
No He Aint Done

He Left For The Stars On The Streets  
For Home  
He'd Need Some Time On His Own  
But He'd Never Forget Those Same Three Chords  
He'll Be Back Just Like Before

But His Names In The Marquis Lights  
Tonight Hollywood  
The Kid With A One Track Mind  
Born To Lose  
Rock Bottom Couldn't Hold Him  
To His Fate's Own Making  
He Stands Alone With A Bottle  
Far Far From Home
