One Man Army, Downtown Lights

He Left For The Stars On The Streets With Six Strings A Song In His Head And Three Chords In His Heart Well They All Gave Him Six Months At Most He'd Be Right Back Right Back At Home

But His Names In The Marquis Lights Tonight Hollywood The Kid With A One Track Mind Born To Lose Rock Bottom Couldn't Hold Him To His Fate's Own Making He Stands Alone With A Bottle Far Far From Home

Ten Years Later He Wakes Up There's A New Face On TV He's Got A Job As An Extra And A Guitar With Two Strings Anything He's Ever Wanted Has Eluded Him In The End He Aint Done No He Aint Done

He Left For The Stars On The Streets
For Home
He'd Need Some Time On His Own
But He'd Never Forget Those Same Three Chords
He'll Be Back Just Like Before

But His Names In The Marquis Lights Tonight Hollywood The Kid With A One Track Mind Born To Lose Rock Bottom Couldn't Hold Him To His Fate's Own Making He Stands Alone With A Bottle Far Far From Home
