

One Man Army, Leave Me Alone

A Little Time Is All I Need
I'll Be Away
For Far To Long At Sea Now
Im Going Home
Will Everything Be The Same
Will You Still Dream Of Me
Being Held On Contempt
Never To Return
Nobody's Helping Much
I'll Wait For A While
On This Tuesday
Of July 2nd
I Hate Everyone Under The Sun Again
Public Transit
All The Phone Calls
To My Dear Friends
With Their Sharp Tongue
Never's Such A Long Ways Away
Leave Me A Lone
Nobody's Helping Much
I'll Wait For A While
Nobody's Helping Much
Leave Me Alone
