

One Man Army, Rotting In The Doldrums

Were Ya Running Too?
Did You Hear The Sirens
In Your Weakness
Aiding In The Shadows
Oh No You're Already Dead
Its On The T.V.
In The Paper
Will You Surrender?
No More Anything Ever
I'll Destroy Everything I've Started
But My Own Glass Heaven All Night
It's A Dirty Scandal
Everybody Knows Now
The Rumors And Headlines
Are You Up?
Are You Tired?
Are You Sick?
Are Yo Uwell?
Does It Hurt When You Come Down?
