

# One Man Army, Victoria

Last Time In Victoria  
It Was Three Am  
Ain't No One Near  
It Was Me And You  
In The City Lights  
On The Outside  
Sharing Lines  
And Empty Bottles Of Good Time  
For The Last Time

In Victoria

Tonight The Stars Don't Shine As Bright  
As They Use To  
They've Gone And Buried It All Here

In Victoria

They Changed The Old Locks  
They Got New Voices  
You Don't Understand  
She'd Say Things Got Complicated  
Where Were You?  
When Your Friends Died  
One By One Here  
You Can't Come Around Look'n For Shadows  
Or Your Use Too's
