

One Night Only, Hide

Hello friend.
Come over
And tell me a joke
Why don't you?

Don't hide from what you want.
Don't hide from what you want.

One last chance,
Just don't blow it.
Think I'm feeling fine today.
One last chance
To make it.
Think I'm feeling great today.
Think I'm feeling great today.

Dont hide from what you want.
Dont hide from what you want.
You want, you want.
