

One True Thing, Believe

However long it takes to grow old,
I will be sure the story is told
of love.

Of love.

The many, the few, the far-between
haven't seen what I have seen,
the truth.

The truth.

And I won't forget
the words that were said
to me.

If you don't believe
in things you can't see,
just trust in me.

Of all the places I have been,
I know there's so much more to be seen.

This world,
my world.

The sky above, the ocean below,
and all the things I'll never know,
it's here, in me.

I won't forget
the words that were said
to me.

If you don't believe
in things you can't see,
just trust in me.

I won't forget
the words that were said
to me, to me.

Is there something,
somewhere,
someone who knows?

The secrets, the answers, the truths to be told?

So don't forget this, and hear what I say!

Know what you're wishing for everyday.

So, believe.

I believe!

Try to move forward, try to be strong.

Things can go right, but they often go wrong.
