

# One True Thing, Do You Remember?

Do you still remember all that you said?  
I can still recall most every breath.  
Never can forget the person who breaks your heart.

And now I can't let it go!  
I try to bury it somewhere it can't grow.  
No one ever enlightens you until it's too late.

I won't give up so easy,  
Can't give up the fight!  
Nothing ever turns out,  
when it's said in the middle of the night.  
No.

A situation so embarrassing,  
everybody else knew everything.  
Why is it always me who's the last to know?

You hid your secrets so poorly,  
I was so blind, I couldn't see.  
Why is love always something you push too far?

I won't give up so easy,  
Can't give up the fight!  
Nothing ever turns out,  
when it's said in the middle of the night.

I try to hate you, but I can't.  
I try to hurt you, but I can't.  
I tried to love you, but I won't do that again.  
No, no, no, no.  
I try to hate you, but I can't.  
I try to hurt you, but I can't!  
I try, and I try, I try again!

And I won't give up so easy,  
Can't give up the fight!  
Nothing ever turns out,  
When it's said in the middle of the night.  
And I won't give up so easy,  
Can't give up the fight!  
'Cause nothing ever, nothing EVER
