

One True Thing, Wish I Was Everything

Wish I was everything you need.
Wish I was everything you've seen before and more.
Wish I was everything I am, plus a little piece of man,
so I'd understand you.

If you don't want me, let me know.
I'm dying of trying to be there!
If you don't need me, let me go.
I'm lost and I'm trying to find me!

Wish I was everything you need.
Wish I was everything you've seen before and more.
Wish I was everybody's girl,
and dreamed that I could rule the world.
But no one would listen, just listen now!

If you don't want me, let me know.
I'm dying of trying to be strong.
If you don't need me, let me go.
I'm lost and I'm trying to find me!

We don't argue anymore and I don't miss you.
'Cause you never really cared about me anyway.
And we don't argue any more and I don't need you.
After all, you are the reason I ran away.

If you don't want me, let me know.
I'm dying of trying to....

And we don't argue anymore and I don't miss you.
'Cause you never really cared about me anyway.
And we don't argue anymore and I don't need you,
'cause after all, you are the reason I ran away.
