

One Way System, Corrupted World

Lost in a world of corruption
you're gonna fight to try and win
with all this corruption
it's pretty hard to win

it's a corrupted world
it's a messed up world
it's a corrupted world
a troubled world
(x2)

Lost in a world of violence
don't understand a thing
we don't need all this violence
'cos it can't help us win

it's a corrupted world
it's a messed up world
it's a corrupted world
a troubled world
(x2)
