

# One Way System, Shut Up

Shut up, shut up, shut up  
Shut up, shut up, shut up

One year and still the same -- Don't wanna be left aground  
Your bullshit and lies to blame -- You can't blame me  
You live a lie that's so unique -- That's me, I'm so unique  
You're fed on bullshit, now it's reached a peak -- No not me no

You know you know you know you know  
You're just a fucking lie -- Man of the world  
I know I know I know I know  
The fucking reason why -- Man of the world  
You know you know you know you know  
You're just a fucking blame -- Man of the world  
I know I know I know I know  
I'll never be the fucking same -- Man of the world

Life goes on it's still the same -- You should know me by now  
You're fucked promise still to blame -- Who said I won't be put down  
Still live in lie, that's so unique -- Who's sorry now  
You're fed on bullshit, it's reached a peak -- Now here you fall

You know you know you know you know  
You're just a fucking lie -- Man of the world  
I know I know I know I know  
The fucking reason why -- Man of the world  
You know you know you know you know  
You're just a fucking blame -- Man of the world  
I know I know I know I know  
I'll never be the fucking same -- Man of the world

Shut up, shut up, shut up shut up,  
Shut up, shut up, man of the world  
Shut up, shut up, man of the world  
Shut up, shut up, man of the world...

You know you know you know you know  
You're just a fucking lie -- Man of the world  
I know I know I know I know  
The fucking reason why -- Man of the world  
You know you know you know you know  
You're just a fucking blame -- Man of the world  
I know I know I know I know  
I'll never be the fucking same -- Man of the world

What the fuck do you know?
