

# Onelinedrawing, 15,000

My fortunate friend, you won another lottery  
just send in those numbers  
ha ha  
and you always do  
\$15,000 from the sky  
almost \$15,000 almost mine  
all these almoses always in my eyes  
makes me wonder if I don't just want to want  
Be young with cosmetics  
You worry too much anyway  
just give me the money, and I'll never ask again  
\$15,000 from the sky  
almost \$15,000 almost mine  
all these almoses always in my eyes  
there&then I know I don't just want to want to want  
wanna wanna wanna want to want
