

# Onelinedrawing, Bitte Ein Kuss

This is where those movies make their money  
It doesn't hurt, it's more like being thirsty  
In lonel airport waves and drugged-up, dimlit raves  
This is where those movies make their money

This is where the wisdom hits the airwaves  
This is where Yastrzemski makes the big play  
In our cars and in our homes, with everything on loan  
This is where the wisdom hits the airwaves

It's time for a bit of in-the-bed disco  
It's time for a bit of in-the-bed disco

Christiane, bitte ein kuss  
Christiane

You are so much chaos  
I love your chaos  
Doin' it is wrestling underwater  
You are so much chaos  
I love your chaos now

It's time for a bit of in-the-bed disco  
It's time for a bit of in-the-bed disco

Christiane, bitte ein kuss  
Christiane, bitte ein kuss  
Christiane, do you wanna?  
Christiane, bitte ein kuss

Her hips, her hips are like seashells  
And I can hear the ocean when I listen  
Her hips, her hips are like seashells  
and I can hear the ocean when I listen  
Her hips, her hips are like seashells  
And I can hear the ocean when I ooohhh
