

Onelinedrawing, Letter

There's your letter
There's you on my floor
There's you in the corner
There's me, wondering what this is for
Have you finally met her
Is it to say you wish for me only the best
I hope you never get her
I hope it's saying how you know now there's nothing left

I read your letter
I read it five times now
But I still don't get it
All this shit about memory and you and me
And the way it used to be
And how you half regret it
And how it feels so good to get it off your chest
I wish I never read it
Makes me wish I was the one who left

Oh I need a letter
Ou I need a letter
I need a letter
But not that kind
I don't need a letter to help me remember
What is not
What was never mine
Oh I need a letter
Ou I need a letter
I need a letter
But not that kind

I need a letter oohoooh
I need a letter oohoooh
Still got your letter
It's sweating in my hands
With a note that says, come get her
She was never in love again
She's waiting in line again

Oh I need a letter
Ou I need a letter
I need a letter
But not that kind
You need a letter to help you forget her
Cleanse your conscious
Let you be blind
Oh you need a letter (repeat)
Ou you need a letter
You need a letter
But not that kind

I hope you never get it.
