

Onelinedrawing, Stay

What if we walked all the way
home
What if we said we weren't
alone
What if all this never was
done
What if you said none of us
won.

Honestly I wouldn't say
Stay.

What'd you want? I didn't
hear.
What'd you buy?
What do you fear?
What'd you leave?
and what'll it cost to get it
all back
When youre always lost.

Honestly, I wouldnt say this
again
Stay.
