

# OneRepublic, Dear Santa

Dear Santa, make my wish come true  
There's only one thing on my list

It's the time of the year  
When I miss you the most  
Sitting next to the fire, the mistletoe  
I should be feeling the cheer  
While I'm holding you close  
Singing carols and drinking cocoa

All the snow outside is fallin'  
I'm here waiting for you, darlin'  
It's all I want this year

Dear Santa, make my wish come true  
There's only one thing on my list  
To have my baby home for Christmas  
Dear Santa, there's nothing I won't do  
I don't need a lot, just one wish  
Bring my baby home for Christmas

Yeah, baby home for Christmas  
Bring my baby home for Christmas

Wrapped the presents with bows  
Put the lights on the tree  
Should be jolly and hearing sleigh bells ring  
So I'll dream and I'll hope  
Wishing by Christmas Eve  
We'll be happy and you're here with me

All the snow outside is fallin'  
I'm here waiting for you, darlin'  
It's all I want this year

Dear Santa, make my wish come true  
There's only one thing on my list  
I want my baby home for Christmas  
Dear Santa, there's nothing I won't do  
I don't need a lot, just one wish  
Bring my baby home for Christmas

Oh-oh, oh-oh  
Bring my baby home for Christmas

Santa, all I'm asking for's my daring here with me  
It's all I want this year

Dear Santa, make my wish come true  
There's only one thing on my list  
To have my baby home for Christmas  
Dear Santa, there's nothing I won't do  
I don't need a lot, just one wish  
Bring my baby home for Christmas

Woah-oh-oh-oh-oh-oh-oh, yeah  
Bring my baby home for Christmas  
Bring my baby home for Christmas, oh-oh  
Bring my baby home for Christmas  
Dear Santa, make my wish come true (Oh)  
Bring my baby home for Christmas  
Bring my baby home for Christmas
