

Onslaught, Fight With The Beast

Bearing the mark of a demon from hell
The dragon is cast onto the earth
Seeking revenge on the woman of man
Satanus unleashes his wrath
Angels of death are the allies of hate
The jackals destroying the cross

Fighting with fire the dragon attacks
Burning the cross
And unleashing the powers of hell
Cursed are the mortals who dare
To fight with the beast

Demons of hell bear the mark of the beast
The sons of the dragon are born
Summoned to earth armageddon is here
To slaughter the christian hordes
Destroying the temples Jehova has lost
The nazarene will fester in hell

Fighting with fire the dragon attacks
Burning the cross
And unleashing the powers of hell
Cursed are the mortals who dare
To fight with the beast

A wrathful attack upon the christian faith
The legions of Satan make war
Replacing the cross with the mark of the beast
The kingdoms of Jesus have fell
Demons of hell armageddon is here
Preventing the coming of christ
Relinquish your god now that satan is king
The nazarene will never arise

Bearing the mark of a demon from hell
The dragon is cast onto earth
Seeking revenge on the woman of man
Satanus unleashes his wrath
Angels of death are the allies of hate
The jackals destroying the cross

Fighting with fire the dragon attacks
Burning the cross
And unleashing the powers of hell
Cursed are the mortals who dare
To fight with the beast
