

Oomph!, Swallow

So dont you rescue me
Im locked in the black of my mind
(Help me please)
So dont get stuck on me
My fuckup is keepin me blind
(Save me please)

Tossin and turnin
You know 'bout this yearnin
This feeling youve locked deep inside
So swallow your frown - my love
And follow me down - my love

So dont you rescue me
I still feel the thorn in my side
(Help me please)
So dont you set me free
No chance for a turn of the tide
(Save me please)

Tossin and turnin
You know 'bout this burnin
This fever you cannot deny
So swallow your frown - my love
And follow me down - my love
Follow me down
Down
