

Operation Ivy, Yell It In My Ear

Never had a reason for the attack
It's impulsive and insane
When I wanna talk some sense to you
It's like spitting back at rain
I've come to know that when I first saw you
I should have ran away
I've kicked myself a thousand times
And now it's too late
Yelling in my ear
You try to control me
You look but you don't see
Yell it in my ear
You got a big mouth
Are you ever gonna get a clue
You're loud, obnoxious, when you're gone I still hear you
Always spewing shit with your irritating voice
I don't wanna listen but I got no choice
Quit acting like your nuts, just shut the hell up
