## Operation Ivy, Yell It In My Ear

Never had a reason for the attack It's impulsive and insane When I wanna talk some sense to you It's like spitting back at rain I've come to know that when I first saw you I should have ran away I've kicked myself a thousand times And now it's too late Yelling in my ear You try to control me You look but you don't see Yell it in my ear You got a big mouth Are you ever gonna get a clue You're loud, obnoxious, when you're gone I still hear you Always spewing shit with your irritating voice I don't wanna listen but I got no choice Quit acting like your nuts, just shut the hell up
