

Ophelie Winter, Some Kind Of Wonderful

Somekind of wonderful
No one compares
Can't nobody tell me that my man ain't real
Cuz he does it like no other
Others just can't hang
It's gonna be alright now
Sure that man's a good thing

What a feelin', my man's standin' second to none
See it's all about this new thing, he's got it goin'on
What he's givin is so special & it's just for me
There's no other way to tell you this is where I wanna be

Somekind of wonderful
No one compares
Can't nobody tell me that my man ain't real
Cuz he does it like no other
Others just can't hang
It's gonna be alright now
Sure that man's a good thing

Baby I'm gonna let U know
Where I want it, it's all good
I love U mind body & soul
I wouldn't help it if I could

All my friends they try to put U down
Say we could never be
U have done the thing that no one else
Has ever done to me

Somekind of wonderful
No one compares
Can't nobody tell me that my man ain't real
Cuz he does it like no other
Others just can't hang
It's gonna be alright now
Sure that man's a good thing

His eyes are shining, uprising
Spiritualize emotions
He magnitize me
Sexulize me, ou needs to legalize him
Organizemad advertize fo' him
I fantasize to exersize with him
Yo, jumping over rules like a hurdler
You make me wanna hallup
You I'll find follow, not for your dollar
Somekind of wonderful is what I'm after
So I have to
Verbalize some poetry for dis cat, yo !

Somekind of wonderful
No one compares
Can't nobody tell me that my man ain't real
Cuz he does it like no other
Others just can't hang
It's gonna be alright now
Sure that man's a good thing
