

# Ophelie Winter, Soon

The more you lose, quicker you learn  
How well you play the game  
The side you choose doesn't really matter  
As long as you keep playin'

The more you give in to what you're feelin'  
The more you'll enjoy the ride  
The choice you make will tell the tale without a word  
There's no stronger power  
Just give it time and the seed will flower

Soon as you love somebody  
The better you'll feel  
Soon as you love someone  
It's gonna be real  
Soon as you love somebody  
And someone loves you  
Then you'll have everything  
You could ever want

Bigger they come, harder they fall  
That goes the same for love  
And who you choose doesn't make a difference  
If it's who you want

The more you give in, to what you're feelin'  
The more you'll enjoy the ride  
The choice you make will tell the tale without a word  
There's no stronger power  
Just give it time and the seed will flower

Soon as you love somebody  
The better you'll feel  
Soon as you love someone  
It's gonna be real  
Soon as you love somebody  
And someone loves you  
Then you'll have everything  
You could ever want
