One night in the summer Bout two months back  
Went out on the town Without a plan of attack  
Heinekin shots of 151 With a bottle of what  
We call El Capitan Now what happened that night  
You cant quite recall (Huh) Fact is boy  
You cant remember at all (What?)  
You woke up in the mornin With a spinning head  
And a teenage girl Lyin next to you in bed  
You kicked her out and Then you slammed the door Tried to forget About the night before  
A month goes by You cant remember the date  
The girls at your door sayin &quot;Boy Im late&quot;  
Thats what you get For out-playin the ho  
And now you got a kid With a girl you dont know  
The first thing you thought When she dropped the bomb Shouldnt have been F\*\*\*in with El Capitan
