

# opm, Heaven Is A Halfpipe

If I die before I wake  
at least in heaven I can skate  
cause right now on earth I cant do jack  
without the man up on my back

now heaven would be a dj  
spinning dub all night long  
and heaven would just kickin back  
with jesus packing my bong  
and if you dont believe in Jesus and muhammad and budha too  
and while the world is warring  
just sit back and laugh at you singing..

If I die before I wake  
at least in heaven I can skate  
cause right now on earth I cant do jack  
without the man up on my back

now most people think of heaven  
they see those pearly gates  
but I looked a little closer  
and theres a sign says "do not skate"  
so if you wanna come to my heaven  
well we're all gonna have a ball  
and everyone u know is welcome  
cause we got no gates or walls singing..

If I die before i wake  
at least in heaven i can skate  
cause right now on earth I cant do shit  
without the man fucking with it

and then I got to the gate  
pulled a list that I'd been calling fate  
I'm sorry friend you cant come in  
you gotta a list here that doesn't end  
you're mad cause I smoke dope  
you teaching any classes in how to cope  
I'll find a place to rest my head  
I rather be alone now that I'm dead  
like chirstian hossoi way back in 87  
we'll be busting Christ air's until we get to heaven  
think I really care that I miss my biology  
got my education in stale fishology  
with all your rules you got to chill  
I'm gonna twist out Mike McGill  
I'm gonna twist out cause I got the skillz  
I'm gonna twist out cause I got the skillz..got the skillz got the skillz

heaven is a halfpipe..  
heaven is a halfpipe..

If I die before I wake  
at least in heaven I can skate  
cause right now on earth I cant do jack  
without the man up on my back

If I die before I wake  
at least in heaven I can skate  
cause right now on earth I cant do shit  
without the man fucking with it  
[repeat to fade]
