

# Opshop, Breathing Space

I'm so sorry  
We were getting so tired  
And here I was off dreaming again  
One day we'd see the light before it caught fire  
One day we'd see the light before it caught fire

(Chorus)  
Don't give me breathing space  
I said, don't you dare give me breathing space  
We're so familiar here  
We're so, so out of place, my love, oh  
And I would rather be anywhere

She knows  
Oh

Something's circling  
I can feel the weight deep under our breath  
Come hold my hand  
Hold it as tight as you can  
Hold it as tight as you can

Don't give me breathing space  
I said, don't you dare give me breathing space  
We're so senseless here  
We're so, so out of place, my love, oh  
And I would rather be anywhere

Can we not see it  
Can we not see it  
Can we not see it through

We so defenceless here  
We're so, so out of place, my love, oh  
I would rather be anywhere  
Anywhere
